Thank you for your donation of books for our young guests to read during their stay at The Danielle House.

We are ever mindful of the generosity of our donors. Our guests come to us in the midst of crisis, needing the "oasis of comfort" you help us provide. Thanks to you, we can give family and friends a place to recharge between visits to their loved ones' bedsides. Your gift helps us provide warm beds, hot showers, nourishing meals, and a listening ear - all the home-like comforts that help our guests get through their challenging times.

Since last year's expansion, we have been able to serve more guests than ever before. Even so, the house has been at capacity for much of the year. That success makes your financial support especially needed and appreciated.

A recent guest comment says it all: "Coming to the Danielle House from far away we found the warmth of our own home. We shall always remember and cherish the memories of the time we spent here. Thank you for all the love and care. This home is truly protected by angels, for they also live HERE!"

Again, please know how appreciative we are of your generosity. You truly are "that angel" to so many.

Sincerely,

  
Diane P. Stento  
Founder and Executive Director

*The books were immediately enjoyed by a 90 year-old boy who was here with his good mother as she underwent heart surgery for cancer! ❤️*
