Pam Brodsky

Dear Friends,

Thank you for your donation of children's books to The Danielle House.

Your donation is ever important to The Danielle House as we continue our mission of offering temporary safe housing with a homelike atmosphere for hospitalized patients' families and loved ones. The house is also available for outpatients seeking respite during a medical crisis, during treatment phases of medical care or related medical services within the area. It is an especially difficult time for families with children, so these books will be a great help and comfort to them.

Our guests come to us in the midst of crisis, needing the "oasis of comfort" you help us provide. Thanks to you, we can give family and friends a "home away from home" where they can recharge between visits to their loved ones' bedsides. Your generous gift helps us provide warm beds, hot showers, and nourishing meals - all the home-like comforts that help our guests get through their hard times. We want you to know how grateful our guests are to the angels that make their stay at The Danielle House possible.

Our wish for you - a peaceful heart, a restful mind, a healthy body, and a joyful spirit.

Sincerely,

Diane P. Stento
Founder and Executive Director
