Mrs. Pam Brodsky & Binghamton Area Reading Council  
BARC- Books for Babies

Dear Pam and BARC,

DePaul Pediatrics would like to take this opportunity to thank you so much for the book donations.

Our population is not always able to afford to buy books and read to their children. We strongly believe in literacy as well as the bonding it promotes between parents and their children. Your donation is given to children as they come in for their routine physical exams and it is loved by all the families!

Thank you again.
